Certificate in Public Administration

---

Diploma in Public Administration

---

## Agricultural Technology

### **Agricultural Extension and Management**

Certificate in Agricultural Finance

---

Certificate in Agricultural Finance

---

### **Agricultural Technology**

Certificate in General Agriculture

---

Certificate in Produce Inspection

---

Diploma in Agricultural Technology

---

### **Animal Health and Production Technology**

Certificate in Livestock Management

---

Certificate in Poultry Production

---

Diploma in Animal Health and Production Technology

---

## **Fisheries Production Technology**

Certificate in Fisheries Production

---

Diploma in Fisheries Production Technology

---

## **Forestry Technology**

Certificate in Forestry Technology

---

Diploma in Forestry Technology

---

## **Home and Rural Economics Department**

Certificate in Home and Rural Economics

---

Diploma in Home and Rural Economics Department

---

## **Engineering and Environmental Technology**

### **Agricultural and Bioenvironmental Eng Technology**

Certificate in Carpentry and Joinery

---

Certificate in Irrigation Technology

---

Certificate in Tractor Operation and Maintenance

---

Certificate in Welding and Fabrication

---

Diploma in Agricultural and Bioenvironmental Engineering Tech

---

## **GYAWANA SATELLITE CAMPUS**

### **AGRCULTURAL AND BIOENVIRONMENTAL TECHNOLOGY (GYAWANA)**

National Diploma in Agricultural and Bioenvironmental Engineerin

---

### **AGRICULTURAL TECHNOLOGY (GYAWANA)**

National Diploma in Agricultural Technology (GYAWANA CAMPUS)

---

### **ANIMAL HEALTH AND PRODUCTION TECHNOLOGY (GYAWANA)**

National diploma in Animal Health and Production Technology (GYA

---

## **Science and General Studies**

### **Basic Science Department**

Diploma in Basic Sciences Department

---

## **Computer Science**

Certificate in Computer Application

---

Diploma in Computer Science

---

**Science Laboratory Technology**

Certificate in Science Laboratory Technology

---

ND in Science Laboratory Technology

---
